

# What Can I Do Now??

## Road Map to Success

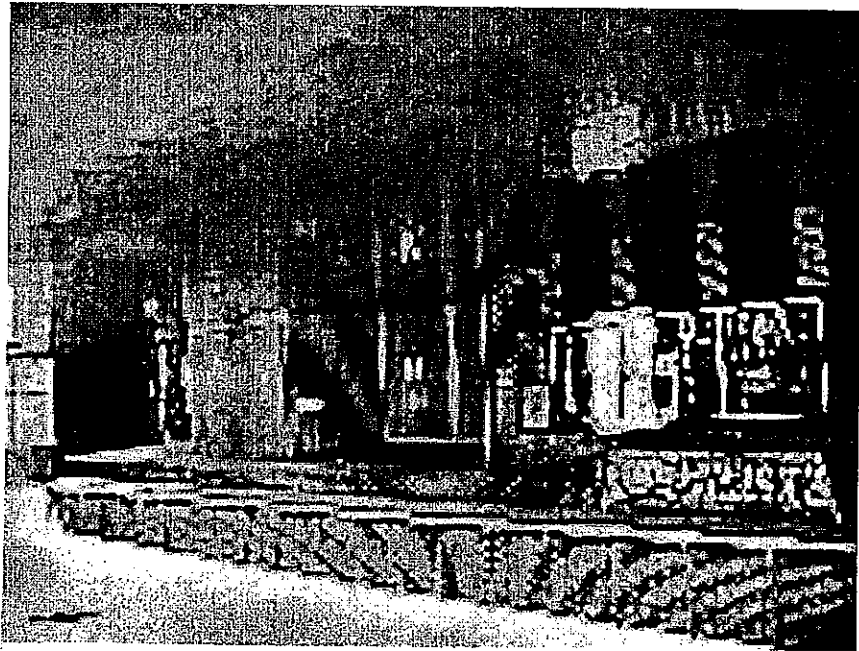

- Start planning now to be successful.
- Learn the foundations.
- Get good grades.
- Go to school all day

- -- everyday. *"Education is a marathon, not a sprint."*
- Remember 60% of success is attitude.

# High School classes

- 4 yrs. of English
- 3 - 4 yrs. of Science
- 3 - 4 yrs. Of Math
- 2 - 4 yrs. of Social Studies
- Computer Science
- Structured electives as recommended by Counselor

*Know why you're taking these classes.*

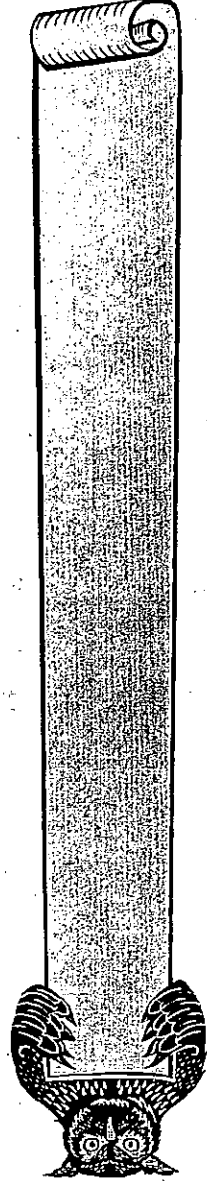

# The future of work has changed.

- ◆ 80% of all new jobs will require more than a HS diploma, but less than a 4 year degree
- ◆ 44% of all jobs require collecting, analyzing, synthesizing, storing, and retrieving data
- ◆ It is better to start and complete a 2 year tech school than only complete half of a university degree.

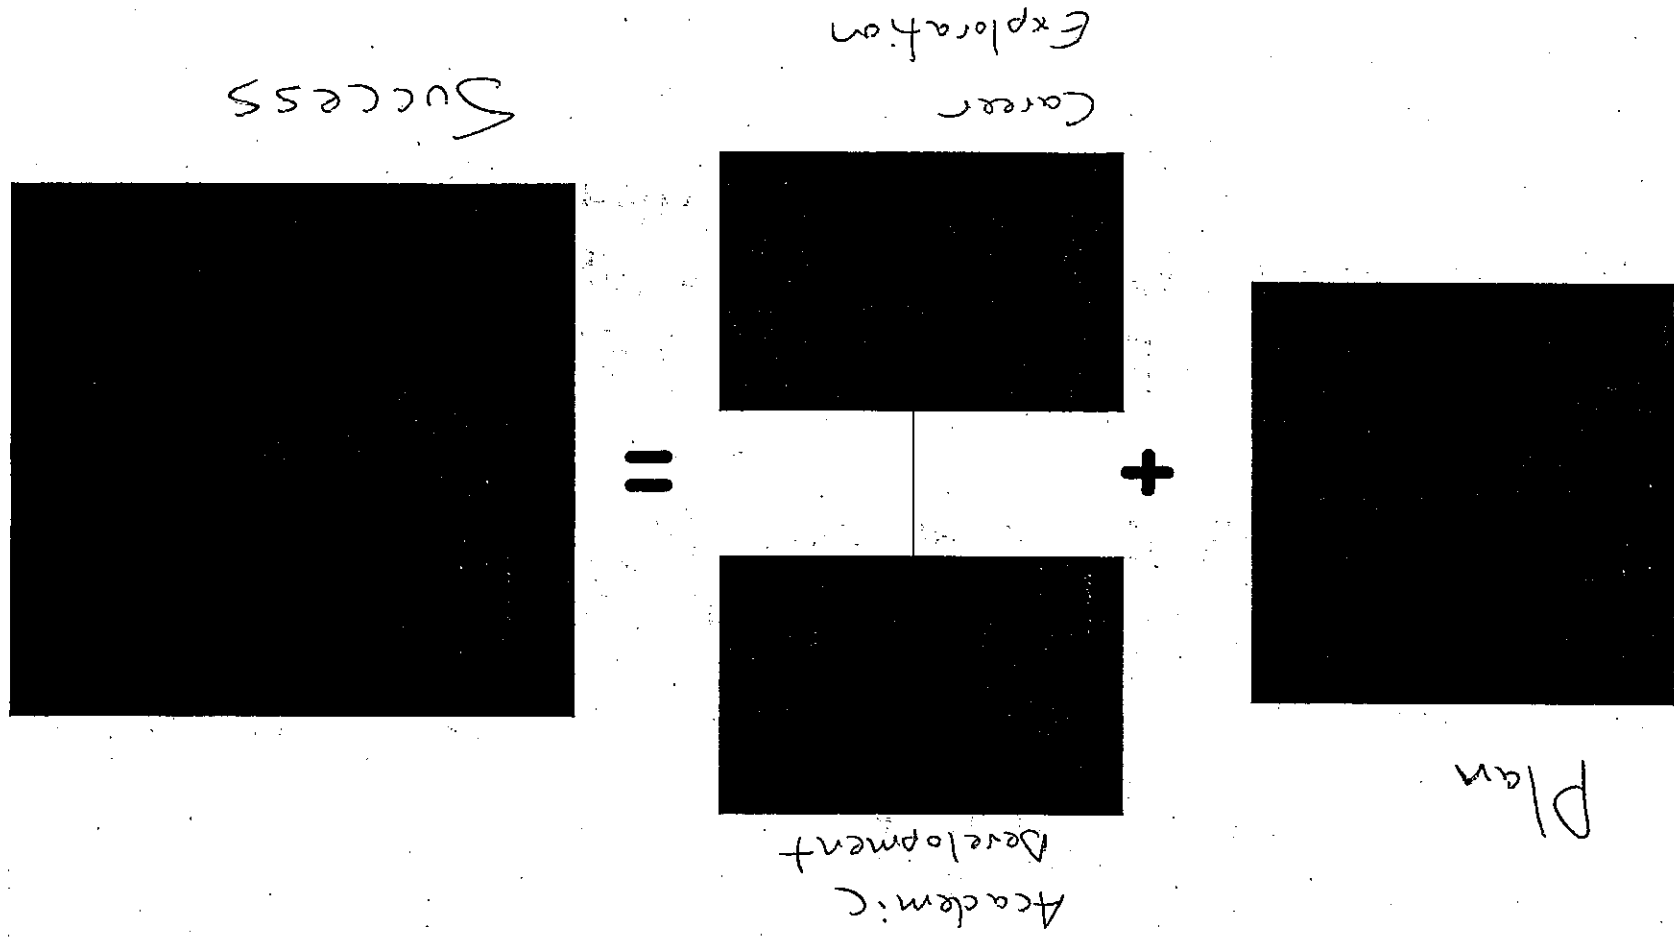

*Consider Tech Schools*
